Christian Service Hours Information

The mission of our community is to be bearers of Christ. Remembering the two greatest commandments given in our tradition, “to love God” and “to love our neighbor,” we find the foundation of Christian service. In addition, while we are called to love and care for those closest to us, Christ loved those who were difficult to love. The call to Christian service is a challenge to look beyond our small worlds and to engage in work that is transformative and places us in direct contact with others.

Students have a set number of volunteer hours required for their first three years at MHS to complete 60 hours total:

- 15 hours for freshmen
- 20 hours for sophomores
- 25 hours for juniors

All hours must be turned in on the Christian Service Form which can be found in the Campus Ministry Office or on our website at matignon.org/service. Students will also complete a theological reflection paper about their services to be turned in to their theology teachers. Failure to complete the required hours within the school year or summer prior will lead to a suspension from all sports teams and extracurricular activities until the hours are completed.

Please see our school website for a list of approved ministry sites: matignon.org/service.

If you have any questions about the service requirement, please contact Mrs. Lenn Johnson at slennjohnson@matignon.org.
