Re: Course Selection Sheets for the Academic Year 2020-2021

Students should bring this selection sheet to each of their classes to discuss course recommendations with their teachers. Each teacher will indicate the course that is appropriate for the student’s ability level. The check mark indicates the course(s) approved within each department. Teachers will initial all selections. THE COURSE RECOMMENDATION CANNOT BE CHANGED WITHOUT DEPARTMENT APPROVAL.

If you wish to take a course for which you were not recommended by your teacher, please contact the individual department chairpersons by email first, and then see the department chair to obtain his/her signature if they approve the change.

The checked electives are only recommendations. You may choose your own elective. However, if you wish to take a course in a particular level for which you were not recommended, YOU MUST OBTAIN APPROVAL FROM THE DEPARTMENT CHAIR BEFORE YOU WILL BE ALLOWED INTO THE COURSE.

Each selection sheet will indicate 6 full-year courses and 2 semester courses.

Students must select their courses by writing in the appropriate course number in the space provided on the right side of the sheet. Theology has been selected automatically.
